

MIDWEST OPEN ICE FISHING TOURNAMENT

PARKING INSTRUCTIONS

The Midwest Open has secured parking for the 2011 Midwest Open Ice Tournament. We have rented the Clark Lake Beach and Boat Club for the Parking and Launch of the 2011 Midwest Open Ice Fishing Tournament. For those who are pre-fishing the lake you will be able to use the facility starting January 7th. In order to use the facility for pre-fishing parking you will need to stop at Knutson's and Pick up a Packet of information. In the packet you will find that there will be 1 parking pass that is to be placed in your Vehicles window. We will only be giving one pass per team as parking is going to be very limited for this tournament. So please plan your transportation very carefully for this event. We will be policing the lot to make sure that it is being used only by the Midwest Open Tournament Fishermen. Also please keep this lot clean as we will want to be Welcomed Back in the future as this is the best place to hold this event on Clark Lake.

Please be sure starting January 7th come in to Knutson's and pick up your Pre-Fishing team packet. In it will be your Parking pass and also there will be some discount cards for area restaurants who are giving some very nice discounts to Midwest Open Tournament Fishermen.

You will also find attached is a map to Clarklake Beach and Boat Club from Knutson's.

Address For:

CLARKLAKE BEACH & BOAT CLUB

5100 Grand Blvd.
